The Aesthetic: The Dollars are in the Details

- ✓ In this enlightening talk centered on business, Melissa reveals the reasons she only sporadically mentions the product she is most known for and the motivations behind this decision.
- ✓ Hear how a message from a fortune cookie she received more than ten years ago was a catalyst that ignited 100X business growth.
- ✓ Learn how to cultivate your own authenticity and personality into your business for a mission- and values-based vocation that stands the test of time.
- ✓ Discover the obstacles Melissa encountered while expanding her businesses and learn how she and her team triumphed over them collectively. And more importantly, how you can, too!
